

# CUYUNA OFF-ROAD TRIATHLON

## JUNE 10, 2018 | Crosby, Minn.

GENERAL NOTES: The race start/finish and transition areas will be at the Cuyuna Country State Recreation Area's Rally Center. Participants will start by paddling on Huntington Lake, biking on various trails around Huntington, and then running around Pennington Mine Lake. Details for each phase are below.

*Be sure to check the triathlon website - [www.cuyunaoffroadtri.com](http://www.cuyunaoffroadtri.com) - for the most current race and course info!*

## PHASE I: PADDLE

### PADDLING ROUTE:

The paddling phase begins at the Rally Center. Paddlers will put-in at Huntington Lake, paddle for approximately 1.5 miles and turn around at the designated motor boat. Racers will finish and take-out at the same place that they began. In order to ease congestion, volunteers may assist with put-in/take-out. PFDs are required for the paddling phase.

TOTAL Miles: ~3 miles

**NOTES:** Some of the trails that we are using for the triathlon are new! They were completed in May 2018 and updated, “official” maps haven’t been created yet. We will be clearly marking the race course so if you’ve never ridden these trails or have ridden prior to May 2018, please pay attention to our course markers. We will also have course marshals strategically placed at various points throughout the course. The majority of the course is single-track but does include some double-track areas for passing. Helmets are required for the biking phase. *This course includes intermediate trails. Please prepare accordingly!*
